I promise I'm not what you're used to

I step outside to the pool and find my handsome neighbor there watching and admiring me. He does it often, but today was different. In his hand I noticed a bottle of suntan oil. I didn't ask why he had it. After a few minutes, I took my top off and he squirted some on me. I didn't mind, I welcomed the attention. Soon he's rubbing me all over.

the Flasher

They're not what they used to be.

I used to think that flashers were old guys in raincoats who opened them wide like a bat's wings to show off their works to young girls. The first time I saw Ellen I knew I was wrong.

She was sitting at a bar on a high stool and I was at a table directly in front, having dinner. I had just been served my dessert, and when I looked up I was shocked to see that the beautiful young lady on the stool had her dress pulled up over her knees. Her legs were crossed in such a manner that I could see her naked pussy. I almost choked on my Black Forest cake as she spread a bit further and a smile played across her fine features. As I sipped my coffee I felt myself get hard and I smiled back.

Suddenly, she got up and headed toward the ladies room. As she did, she dropped a note on the table, just like in those old spy movies. I palmed it and stole a look beneath the tablecloth. There was nothing on it except a photograph, a picture of her, nude. Her legs were spread and she had one hand pushing aside her generous labia to show the pretty pink inside.

As she passed me on the way back to the bar, she asked if I would like to see her in the parking lot. Five minutes later she was in my van talking to me as though she knew me forever. I learned she had just broken up with her boyfriend and that she had drank too much or she wouldn't have done the same thing to me that broke up her love affair. When I asked what it was she said, "Didn't you see me flash you? I thought you were going to fall into my pussy!"

Ellen and I have been married five months now and believe me there's never a dull moment. A few times she flashed guys when I dated her. Mostly there was no difficulty until one guy tried to rip her clothes off and I had to come to her rescue.

She's a hot bitch in bed, but only after she shows herself off to a few guys. Her favorite showplace is in our van. We often park and she strips and I play with her so people can see us through open door. One time a group of chicks stood there watching her sit on my cock and they squealed and laughed and Ellen fucked my cock like a nymph. Then she gave me and them both a treat when she sucked my prick and swallowed my cum.

Once in her car, a truck pulled alongside and she got up and mooned the driver. He almost crashed into us as he tried to watch her pretty ass and the white line too. Another time she wore only a dress that buttoned down the front. When a truck passed us she

Once in her car, a truck pulled alongside and she got up and mooned the driver

stood up, opened the buttons and displayed her nude body to the driver. He stayed right alongside as she finger-fucked her snatch and yelled dirty things to him.

He shouted that she was a dirty fucking pussy and she giggled and we headed to a private road where she could jerk me off. I was so hard I couldn't stand it!

We live near an auto body shop and Ellen often stands by the front door. The top half is screen and the bottom half is solid white aluminum. She'll stand there wearing only a polka dot apron and is bare from the waist down. However, from the outside she appears to be fully dressed. Then she waits for the guys to pass on their way home from work and as they go by, she finger-fucks her soaking gash with one hand and waves to them with the other.

Ellen is friendly with a dude named Freddy. She often speaks to him through the screen and he talks to her. One day I saw her finger working up a froth in her hot snatch as she plunged it in and out. Her legs were bent at the knees and she was panting as she spoke to the dude about the weather and other silly things.

As he turned to leave, she motioned me over and indicated by a series of hand signals what she wanted me to do. So I sat beneath her spread legs and sucked her sopping snatch while she said her goodbyes.

The best time I ever had with Ellen's flashing was when she insisted she wanted to go to a department store with only a light coat on-and nothing underneath! She let the coat flap open partially and it was funny to see the people look. Some thought they were mistaken, others just stared and one guy followed us for 15 minutes.

When we got to the jeans department, Ellen said she wanted men's jeans for her brother, "who is about my size." The young salesman asked what size she was and she said, "I don't know. Can you measure me? Don't be shocked because I just came out of the shower." Then she opened her coat wide to reveal her big swollen titties and her pussy. Spreading her legs for the surprised salesman, she asked, "Do you need to measure between my legs for the inside seam?"

He looked at me and I made as if I was interested in something else. So he asked my wife if she would come into the stockroom while he measured her. She consented and later, when they both came out, she said nothing happened except she sucked him off.

Ellen certainly is the most!

self Pleasure

I have always been addicted to the pleasures of masturbation, ever since the first shot of cum spewed out of my cock.

I became obsessed with the activity. I often found myself jerking off as often as three or four times a day—even after I got married. I did this particularly when my wife wasn't "in the mood" or was "unavailable."

Five years ago my wife had a hysterectomy and lost all interest in sex. So I have reverted to my various forms of self-pleasure to the extent of taking some time out two or three mornings a week, before I get out of bed. Then I pleasure myself as long as an hour at a time after my wife gets up. She has become used to this and doesn't seem to either mind or even pay attention to me during these sessions.

I have found very interesting way to enjoy myself for as long as an hour at a time, keeping myself in a state of high excitement before finally letting go. I keep my accessories in the night table beside my bed at all times. On the mornings that I decide to take myself in hand, I simply pull out my "aids" and set about my business.

First, I apply a liberal coating of petroleum jelly to my cock (and leave it handy for future applications, as required). I also keep a common teaspoon handy, which I use to catch the drops. Now, this is no slam-bam operation. I proceed to stroke my cock until it is on the verge and then I immediately stop.

I pull up the muscles of my sexual system as though I am about to shoot and at the same time I grab the base of my cock and slowly pull it all the way to the tip of my cock. I repeat this milking game three times, by which time there is a good, big drop of pre-cum all ready to drop off the end of my cock.

I carefully squeeze this drop onto my spoon and right away I start to jerk up the next drop. I find that I can keep this up and put out some 50 or more drops.

Now you might be thinking, what has the spoon got to do with it? And why be so careful not to spill any of the drops? Well, I guess everyone has their own kinks. Basically, I find it is a way for me to regulate my jerk-off sessions. I find that after about 50 drops, I've got half a teaspoonful and have teased myself to the point where I don't think I can stand it any longer.

If I may say so, though, this is a game that is not learned in a week. It has taken me quite a few sessions to train myself in this art. And no, I haven't gone blind (yet). I believe there are a lot of jerk-off artists who might like to try this game. So feel free to print my letter.

Some chicks just can't get enough

girl on fire

The door opened and my heart jumped to my throat. I stood there gawking at her. Before I could say anything she pulled me indoors.

"Haven't you ever seen a naked woman before?" she said. She pulled me close to her and planted a kiss on me, ramming her tongue deep down my throat. She unzipped my pants, grabbed my cock and began massaging my balls and cock.

As the night manager of a successful bar in Sausalito, California, I have often found myself the envy of the male customers and the delight of the female customers.

It was a slow night. Tuesdays are usually the slowest day of the week at our bar. I was staring off into space when in walked an attractive blonde, reeking of sex hunger. Her clothes clung to her body. Her breasts pointed proudly to heaven and her nipples peeked through her sheer white blouse. She sat at a cocktail table overlooking the yacht harbor. Her skirt rose high above her thighs exposing her lacy panties. I got an instant hard-on.

She ordered a glass of white wine and sipped it, playing with the stem as though she was masturbating a cock. She was putting out the signals. I'd seen them a thousand times. There was no mistake: she was out for action.

I acted on gut instinct before someone else did. I walked over to the table and introduced myself. "Hi. I'm Richard, the night manager. You new here?"

She looked up at me and licked her lips, "Why, yes, I just moved here last week from New York."

I stood there. 1 could feel her eyes ravaging my body. I could feel her lust and her insatiable sexual appetite. She was on fire. I asked, "May I join you for a few moments?"

"Why, of course."

As we sat there the girl continued to caress her wine glass. Her lips were slightly moistened and her mouth was sensuously painted in a soft red hue.

"By the way, what's your name?"

"Sarah, she replied."

"Your name fits you, except you're even more beautiful than your name." She blushed in a devilish way. As she leaned over I studied her finely chiseled face with its high cheek bones. She had a proud Roman nose and deep blue eyes, with a touch of light blue makeup around them. I'm wasting my time talking, I thought. Damn it, I'm going for it now!

I looked her in the eyes and said, "Sarah, when you walked in I said now there goes a most striking lady. If I had a chance I would eat you up." She cocked her head, took a sip of her wine and said, "That's odd, because I had the same feeling about you. You're quite attractive. Your wavy long black hair, green bedroom eyes and tanned Mediterranean look is enough to entice any woman. You're about six foot, aren't you? Or is that the size of your cock?"

We both threw our heads and laughed. She took my hand and stuck one of my fingers in her mouth and began sucking on it. "Stop that or I'll jump you right here."

She smiled. "What time do you get off?"

I heard a crash in the dining room.

I started to get up and go see what happened. She grabbed my arm, "Call me when you get off. I'll be home. Here's my number." She quickly

BLAIR-NTS-09

wrote it down with lipstick on a cocktail napkin and handed it to me. Then she stood up and kissed me lightly on both cheeks and smiled seductively as she left.

I went into the dining room. The busboy had dropped a plate on the floor and was cleaning it up. Just before I got off, I went behind the bar to call Sarah. The bartender, Al, 50 years old with three kids and a nagging wife, said, "Got yourself another one. Damn, you single guys got all the luck."

I smiled as I dialed the number, thanking Lady Luck. "Hello" a sexy voice cooed.

"Hi, this is Richard. Still awake?"

"Of course. I'm lying here on the sofa, masturbating very slowly and waiting for you to come over and finish what I've started."

The more she talked the hornier I got. "I'm off and I'll be right over. Where do you live?" She gave me the address and I was out the door. "See you in ten minutes." I hung up and hurried out of the bar.

My hands were sweating when I rang her doorbell. As soon as I was inside admiring her naked body she grabbed my cock firmly and pressed herself to my body. She smelled of fresh soap and sexy perfume. Sarah skillfully undressed me right where I stood. As she pulled off my under wear she gasped. "Oh my, it's like cannon." She blew hot air on my cock and began licking the sides of it, running her tongue down the shaft to the base of my balls, which she took one at a time in her mouth.

She bit the tip of my cock, slipping the head and the shaft in her mouth as deep as she could. She purred, "All mine," as she moved her head back and forth, rotating her tongue around the head of my cock. At the same time she gently massaged my balls. I was in heaven.

She stood up. "I love your big cock. I want it in my pussy. I want it in my ass. I want it!"

I could feel the warmth of her pussy pressing against my prick. Her tits felt soft against my chest. Her nipples were hard. "You little devil you. Any more nice surprises?" I asked.

She paused. "Well, yes. I have a roommate in the other room, sleeping, who told me that she would love to eat pussy and get fucked at the same time. Want to wake her and make it a threesome?"

Instinctively, I recognized that this was her fantasy. And I was the lucky gladiator getting his cock ready for a grandstand play. I felt my knees weaken. My heart started to pound harder. My cock throbbed. I was trembling with anticipation.

"Yes, absolutely. Let's wake her." She grabbed my arm, "Come on, let's both of us wake her."

"Have the two of you ever fooled around together?"

"Not yet, but we've talked about it. Come on."

She opened the door of the bedroom. In the moonlight I could make out the figure in the bed. Sarah pulled the sheets back and exposed her naked girlfriend. Her legs were slightly spread revealing a dark high mound and pussy. Her mouth was slightly open. Her breasts were rounded and firm with large round nipples. She was a sleeping beauty. Or was she too playacting out her fantasy?

"Come on, let's get in bed with her," Sarah said.

"What's her name?"

"Michele."

Sarah got in on one side of Michele and me on the other. Sarah began gently playing with her nipples. My cock pressed hard against her thigh as I began kissing her softly on the Ups. Michele woke up. “Oh! Who are you?”

“He’s a friend of mine,” Sarah said.

Michele reached down and found my cock. “I love cock,” she said.

“And I love pussy,” I said.

Sarah started finger-fucking Michele while Michele stroked my cock. “Sarah, suck my pussy.” Sarah moved quickly between Michele’s thighs and began licking her clitoris and pussy. I watched in amazement. “I want to suck your cock,” Michele said.

I propped myself up on my knees and she pulled my cock into her mouth as far as she could and began sucking on it, up and down, faster and faster.

Sarah’s ass was high in the air moving wildly as she finger-fucked herself with her free hand. Michele sucked me faster and harder as she played with my balls.I

I couldn’t hold myself any longer. “I’m coming!” Michele opened her mouth wider and Sarah licked the side of my cock.

“I want to taste your cum,” exclaimed Sarah. She pulled my cock out of Michele’s mouth as my cum spewed forth, shooting out on Sarah’s and Michele’s faces. Sarah swallowed my cock to the base of the shaft. I emptied myself deep in her throat Michele started kissing Sarah and licking the cum off her face. I rested against the bedpost. Michele’s hands found Sarah’s pussy. Sarah panted.

Michele got down in between her legs and began sucking Sarah’s clitoris and finger-fucking her at the same time. “Harder, harder!” Sarah urged.

After a few moments Michele stopped. She reached over to the night stand, opened the drawer and pulled out a nine- or 10-inch dildo. Sarah’s eyes widened as Michele strapped it on, mounted Sarah and started fucking her. My cock came back to life. I got an instant hard on just watching.

I moved down to Michele’s ass, spread her legs and stuck two fingers in her pussy and two in her ass.

“Fuck me in the ass,” Michele screamed. I moved my cock to Michele’s ass and slipped it in gently. She squirmed and started fucking Sarah more wildly. Inch by inch it went in. She went wild. It was all the way in. Then Michele started screaming those joyous sounds of a woman cumming.

Then Michele rammed the dildo in Sarah’s ass while I shoved my cock hard into Sarah’s pussy. She gasped,”Ah! Ah!” I thought she was going to faint. I was excited and sweating profusely. Sarah was in heaven. Suddenly Sarah and I both yelled, “I’m coming!”

We all lay there breathing hard trying to catch our breath. I lay in the middle, and within minutes we all fell asleep.

I sat at the bar looking out the window thinking how much fun we had, when in walked a tall blonde, Scandinavian girl of about 20 who was wearing a cream color see-through blouse and a flimsy white skirt that clung sensuously to her hips. I watched as she ordered a glass of white wine.

She played with the stem of the glass as though she was masturbating a cock. I thought, here we go again!

irena

my ass is the only thing you're doing today

This hot young couple wanted to get some loving in before her classes. Irena's ass was nice and tight while her pussy was already wet with excitement that her boyfriend was coming over. She teased her ass with her fave vibe until he got there. She made him replace her vibe with his cock.

rita & jayden

arousing you arouses me

I was really lonely on valentine's day so I called up my sexy friend Rita over to pay me a visit. She didn't disappoint as she got right down to business kissing and licking my wet pussy! I gladly returned the favor and we both took turns making each other cum! Not a bad way to spend the day!
